

The theme for our International Women's Week activities is "Women's Voices" . At a time when women all over the world are rising; are becoming visible there are many women whose voices are never heard. Our focus is on both enabling and empowering the unusual suspects to be heard and to become Changemakers in their own lives, and the lives of other women.

Our Twitter feed is @inspireoldham and @bonniesally our # = #changemaker #WomenFirst #Pressforprogress
